The Club adjourned with the understanding that another meeting should be held on tinsburg correspondent says: next Friday evening, to rejoice over our great victories.

JUDGE OKEY IN A NEW ROLE .-Judge John W. Okey is a queer man .-Some few years ago there lived in Monroe County one Dr. Steut-who enjoyed a not very enviable reputation-and who happened to be a candidate for the Legislature. Stout was a great Democrat, but Okey partaken freel. couldn't support him, and was by no means stinted in his abuse of him.

Last Thursday the Judge presided over a Copperhead mass meeting at Barnesville, special says; Dr. Stout appeared on the carpet as the principal orator, and was introduced to the assemblage by Judge Okey! Ye Gods! wouldn't that have been a sight to witness! Wonder if the Judge didn't glove his hands and hold his nose while he was handling this corrupt piece of mortality?

THE ELECTION passed off here quietly. The grog shops were closed up, and

Young Hero. A corre pond at of the New York Times thus decribe Lieu. Cushing, who blew up the Albemarle

the Albemarle.

The most aston inding part of this narrative is that the hero of it is a youth of only is that the hero of it is a youth of only is that the hero of it is a youth of only is that the hero of it is a youth of only is that the hero of which many gray already summed up. If which many gray beards would be preud. When introduced to him, I could scarcely reconcile the fact that the unassuming young man before me, with his frank, open counten, ance, and long hair thrown wildly back behi. In his ears, looking like some student just es, aped from college for a little frolic, was the m. in whose name is stready, and so justly, pro, minent before the public. Apart from the glory which such episodes as these throw arou. In the character of our pavy, this destruction of the robel ram Albemarle is a really important affair. It has, for months past, kept employed in watching and at bay at least five of our double enders and some five or six other vossels, which will now be released for any other kind of duty.

Point correspondent says of the attack on Saturday night that the rebels made a charge on the 3d division of the 2d corps, in front of Peters and the shout midnight, and were repulsed with dreadful slaughter. The less an our star was very slight. We captured about 100 prisoners. There was no loss by capture on our side:

Victory! Victory! Victory !- Let the People Rejoice.

Grant has whipped Lee, Sherman has thrashed Hood, Sheridan has sent Early whirling up the Valley, Resecrans has driven Price out of Missouri, and now the people, the glorious people, the intelligent people, the patriotic people, the loyal people of the country have utterly annihilated the great Northern-rebel-aid-society, the Chicago Copperhead party.

In the future history of our grand old Republic, the Eighth Day of November, 1864, will be regarded as the day when Truth triumphed over Error, Liberty over Despotism, and Freedom over Slavery; and those who have aided in the accomplishment of this glorious result will be regarded in the future as the champions of Freedom and the friends of Civil Liberty.

The result is not fully known, but enough is known to satisfy us that Abraham Lincoln, the candidate of the great Union Party of country, is elected President of these United States beyond all doubt, and the indications are that he will receive nearly a unanimous vote in the electoral College, --LET THE PEOPLE REJOICE!

VERY LATEST NEWS.

LOUISVILLE, Nov. 9. - The Nashville elec tion gives Lincoln 1,307, McClellan 25.— The Ohio soldiers give Lincoln 476, McClellan 101. The Republican ticket is elected

jority in Kentucky from ten to twenty thou-and. The Journal (Dem.) claims 25,000. The Journal (Dem.) claims 25,000.
The Democrat (McClellan) says that the State has gone for McClellan by a very large majority—it is impossible to tell how large.

Oussing (Dem.) has 50,000 majority. Our Modern and talk discounted.

State Monday of Oct., 1-51.

State will a discounted the majority of the large majority of the large majority. Ouseiger (Dem.) has 50,000 majority. Our own opinion is that McClellan's majority will come within the figures of the Union Press, but the returns being meagre, and the remote counties not being heard from, it is almost impossible to form a correct.

PORTLAND, ME., Nov. 8-midnight.— One hundred and eleven towns give Lin-coln 29,796, and McClellan 17,975, showing a Union gain of 734 over the September election. The same proportion of gain throughout the State will give Lincoln about 18,000 majority.

CONCORD, N. H., Nov. 9-8 A. M.-The vote of 182 towns foot up Lincoln 25,748, McClellan 23,987. This judicates a handsome Union majority on the home vote.

HARTFORD, Copn., Nov. 9-3 A. M. Lincoln's unjority in Connecticut, in all but 13 towns, is 2.394.

NEW YORK, Nov. 9.-The Tribune claims New England, Pennsylvania, Delaware, New York, Maryland, Ohio, Indiana, Mich-igan, Illinois, Wisconsin, Missouri, Iowa and Kansas, for Lincoln. Total 190, independent of the Pacific States, whice it says, have probably chosen 110. Lincoln electors. It claims over 10,000 majority in this State, and that Members of Congress enough have been gained in the Union to secure the requisite two-thirds in the Houte for the pro-hibition of slavery by constitutional amend-ment. It makes the New York Delegation stand 32 Union and 9 Demograts. Taber, Dem; elected in the 1st District; Radford and Winfield, Dem., in the 10th and 11th; Hubbell and Goodyear, Dem., 13th and 14th to the present Congress. Delegation, 10 Union, 16 Democrats.

The World concedes Lincoln's election, Lincoln's election,

claiming only New York, Kentucky, New Jersey and Missouri for McClellan, with Pennsylvania, Delaware, Oregon, California and Nevada in doubt, but most likely for Lincoln. The Times' claims 133 votes for Lincoln, with the probability of all the rest except Kentucky, Missouri, and possibly

BALTIMORE, Nov. 9.—Baltimore city gives 12,000 majority for Lincoln, a gain of 4,300 over the October vote. The State has undoubtedly gone for Lincols by a considerable majority on the home vote, and elected Swann Governor.
Col. Phelps is elected in the 3d Congres-

sional District.

From Chattanooga. CINCINNATI, Nov. 9 .- Yesterday Indianapolis Journal says, an official from Chat-tanooga reports that Sherman returned to Atlanta early last week, with five corps of his army, leaving two corps in Tennessee under Thomas, to watch Hoed. He deis now marching directly for Charleston S C.
